NATIONAL
BREAST
CANCER
FOUNDATION, INC.®

**Give a meaningful gift.
Purchase the candle holder.
Available in limited quantities,
only throughout October.**

In honor of Breast Cancer Awareness Month, Calligaris supports the National Breast Cancer Foundation with a candle holder designed by Sara Sbolgi and Marco Ferriani.

An invitation to shine a light on what truly matters, to put yourself first, to take a closer, more honest look at yourself. That's where prevention begins.

An invitation that Calligaris once again entrusts to its women: employees, collaborators, and designers.

A female alliance to remind us that prevention is a necessary act of self-love.
